Canberra Elite 13 22 27  
Cabxpress 1350 222 977

# Lucid Canberra Workshop

---

**Closest Bus Stop** - Located along Commonwealth Avenue and King Edward Terrace.

**Parking** - There are several car parks surrounding the Library. A large all day car park can be found further along Parkes Place, towards the lake. Disabled parking can be found immediately south of the Library, in the car park closest to the front entrance. A smaller all day car park is also located south of the Library, near the loading bay and secure bicycle parking facilities. All car parks are regularly patrolled by parking inspectors so we advise that you ensure you are displaying the appropriate ticketing before leaving your vehicle.

Bicycle parking is available on the south side of the front entrance and in the car park adjacent to the loading dock off King Edward Terrace.

## **Accommodation:**

Being centrally located there are lots of accommodation options available. E.g.

## **What to bring:**

Computers and software will be provided during the workshop, however you are welcome to bring your own laptops. WiFi will be available.

While we are sure most participants will have smart phones, you are welcome to bring along tablets and other devices (Android & iOS) to try out various Lucid based mobile apps.

We encourage all participants to bring materials *they are interested in* to construct a key. We suggest bringing along materials for fact sheets (text, images) and descriptive data.

Bring along lots questions you may have on key building.

## **Food:**

Morning and afternoon tea will be provided, along with coffee, tea and water throughout the day.

Lunch – There are a number of options for lunch, including cafés close by the workshop facilities.
